

HONG KONG SCIENCE AND TECHNOLOGY PARKS CORPORATION

Admission Application for Advanced Manufacturing Centre at 18 Chun Cheong Street, Tseung Kwan O INNOPARK (Ref: AMC/A012)

As Hong Kong's premier innovation and technology hub, Hong Kong Science and Technology Parks Corporation (HKSTP) actively bridges research and development with end-to-end Innofacturing facilities all situated within our premises. Our land resources and multi-storey industrial spaces support tech-driven R&D and smart manufacturing activities for a wide range of forward-looking industries.

The 75-hectare Tseung Kwan O Industrial Estate, now repositioned as Tseung Kwan O INNOPARK, is located at the south-eastern part of Tseung Kwan O New Town. With a Gross Floor Area (GFA) for lease of about 108,580 square metre (or about 1.17M square feet / sfG) on the 2.71 hectares site, **Advanced Manufacturing Centre (AMC)** aims to meet high value-added and highly customized production demands. *(Location of AMC can be found in <https://www.hkstp.org/media/fmgisq22/tkoie.pdf>)*

HKSTP is now inviting interested companies from industries for the application of production areas in AMC. Application briefing and site visit will be arranged upon request, interested parties may contact AMC team at +852 2629 6908 or email to amc@hkstp.org.
